

City of Buckeye
Louis B. Hazelton Memorial Cemetery

HEADSTONE INFORMATION

- All headstones **must** be flat.
- City of Buckeye personnel **only** are authorized to set monuments, headstones or grave markers, with exception for temporary markers by the funeral home, at the Cemetery, all markers must be set at ground level to allow mowers to pass over. No upright markers are permitted.
- Markers will be set in concrete with an apron extending 6+ inches around the marker, as well as a 2 inch PVC hole for flower placement. If a flower vase is desired in the apron it must also be provided.
- Maximum Single Headstone Size: 28" by 16" (**Must be at least 3 inches thick and no greater than 5 inches**).
- Maximum Double Headstone Size: 40" by 16" (**Must be at least 3 inches thick and no greater than 5 inches**).
- **Once the headstone is received, the process of pouring/setting the concrete apron around the marker and completing installation takes approximately 3 to 4 weeks.**

Delivering the Headstone to the Cemetery

- The City of Buckeye does not pick up headstones.
- You may schedule an appointment to deliver the headstone directly to the cemetery Monday through Friday from 7 a.m. to 12 p.m.
- **If the headstone will be delivered by a delivery service such as FedEx or UPS, please note that we cannot guarantee that someone will be on-site to sign for the delivery.**
- If you have any questions or need further information about headstones, please call 623-349-6170.
